Private local radio stations in Rhineland-Palatinate, Saarland, Brandenburg and Hesse

The Radio Group is an independent, owner-managed media group that operates 17 market-leading local radio stations in Germany. With around 1.5 million regular listeners and over 6,000 successfully implemented radio campaigns, it is an established partner for targeted and efficient radio advertising. Our programs are created with passion and proximity to the region, our local presence and a strong local connection make us the voice of the people.

In addition to excellent media planning, we offer comprehensive services - from creative conception and spot production to targeted broadcasting and documentation. Our team consists of experienced experts with decades of media experience, who work together to implement every assignment with competence and commitment.

With high-end production capacities and a network of the best speakers, we are one of the leading producers of radio advertising in the German-speaking world.
